REACH FOR RICHNESS

From a historic distillery reawakened in the early 2000's, Ron Millonario embodies Peru's rich spirit and variety, offering beautiful, craft-distilled rums aged meticulously at sea level.
As we near our 20th year, we unveil our new 'Reserva Especial Número 15' livery, honouring achievements and those who champion them.

TASTING NOTES

NOSE: Intense and captivating, with deep notes of sultana raisins, dried figs, plums and dates, with a dark aroma of sugarcane molasses and chestnut honey, and a hint of bergamot fragrance. Warm and rich, the aromatic intensity and velvety bouquet hides the alcohol.

PALATE: A very sweet and enveloping attack, on vanilla, toffee, candied oranges and dates. It's very honeyed, rich with the taste of sugarcane molasses and notes of rich milk chocolate, but there also is a delicate balsamic note of minty freshness.
Then hints of cola nut, cloves and herbal liqueur. Its intensity keeps growing, overwhelming and voluptuous.

FINISH: Warm, velvety, enveloping. Sweet and caressing, honeyed, but on a final twist of red chili pepper and aromatic herbs.

COMMENT: The renewed Millonario 15 is even more enticing, caressing, velvety, rich and intense than ever: a real treat for lovers of sugarcane sweetness.
