KUYTCHI RUM SPIRIT DRINK

HOMAGE TO VINIKUNKA

A homage to our adventurous travels in Peru, which brought us to Vinikunka – the mountain of seven colours.

To honour Kuytchi, the Inca rainbow goddess, we have created a new spirit drink based upon Ron Millonario and enriched by precious natural aromas including cocoa and “dulce de leche”: deliciously smooth, caressing and velvety like the warmth of Peruvian sunshine.

TASTING NOTES

Nose: smooth, buttery, rich with vanilla, dried fruits, dates and chocolate.

Palate: toffee, milk chocolate, sweetness of dates, sultana raisins, honey. Smooth, syrupy and caressing.

Finish: Warm, sweet, very easy to drink, it invites to another sip. Honeyed fragrance, but clean and not cloying, and with a lingering spicy aftertaste of chili peppers
