RON MILLONARIO NÚMERO 10 ANIVERSARIO

FRESH AND SWEET FOR VIBRANT MOMENTS

Ron Millonario Número 10 Aniversario is a fresher, lighter and easier version of Ron Millonario. A recipe that celebrates the 10th anniversary of the product, dedicated to a modern and young audience.

Assembled from light rums matured in fresh bourbon casks and a small percentage of older rums matured in second fill sherry casks.

A familiar and much-loved liquid, now presented through a renewed and more expressive design language, while embracing a clearer role within the range: a rum created to shine in cocktails and quality mixing, without losing its identity.

It is a rum that expresses joy, brightness and vitality; inviting you to enjoy life's moments with ease, pleasure and authenticity.

TASTING NOTES

NOSE: fragrant vanilla, sweet fruits, dates and butterscotch.

PALATE: sweet and smooth like the older brothers, with toffee notes, dates and sultana raisins, but light in body.

FINISH: Sweet but clean, rich with fragrant notes of vanilla and a hint of spice.
